## Men and Religion Forward Movement

Two Big Meetings To Be Held Sunday, One For Boys In  
Afternoon With Mass Meeting In Evening—Meet-  
ings of Clergy and Committee.

Following the attendance of four  
Norwich men last Tuesday evening at  
the banquet in Hartford which was  
intended to introduce the Men and  
Religion Forward movement to this  
state, there was a conference of the  
pastors of this city on Thursday morn-  
ing at 10 o'clock. The meeting was  
called to order by President  
James L. Case of the association, who  
was one of those to attend the ban-  
quet, the others to attend being Rev.  
P. C. Wright, Frederick W. Lester,  
president of the Hartford Congrega-  
tional Church men's league, and C. H.  
Haskell, president of the Park Church  
men's league.

President Case was chosen chairman  
of the meeting, with Rev. E. S. Wor-  
cester secretary. After a discussion  
of the subject, which lasted two hours,  
it was the sense of the meeting that  
they were in favor of co-operating in  
the campaign. It was proposed to hold  
a men's mass meeting on Sunday in  
one of the churches, provided the sev-  
eral churches represented are in fa-  
vor of this action, and President Case  
was to appoint a committee of four,  
with power to arrange for the meet-  
ing.

General Secretary F. R. Starkey and  
President Case of the association, and  
C. H. Haskell, president of the Park  
Church men's league, were in the  
conference. Revs. J. Eldred Brown,  
H. J. Wyckoff, P. C. Wright, E. A.  
Carroll, E. S. Worcester, Robert P.  
True, H. Ricketts, L. J. Pratt, G.  
H. Ewing, J. H. Newland, F. W.  
Coleman, F. O. Cunningham and C. A.  
Northrup.

The special committee having been  
named to consist of Mr. Case, Presi-  
dent Case, Mr. Lester, Mr. Coleman,  
and Walter E. Gilbert, a meeting of  
the committee was held Thursday  
evening at 9 o'clock at the association  
building, at which two meetings on  
Sunday were arranged for. The first  
is a rally for boys in the afternoon at  
4 o'clock in association hall. All boys  
over 12 are invited, and the speaker is  
to be Rev. W. S. Beard of William-  
antic. Details for this meeting are to be ar-  
ranged by a committee consisting of  
General Secretary F. R. Starkey, As-

stant Secretary J. H. Ely and J. B.  
Stanton.

In the evening at the Central Ban-  
quet church there is to be a public  
union service, with addresses pertain-  
ing to the movement to be given by  
Judge Alfred C. New London and  
Alfred L. Billings of Hartford. It is  
probable that all the churches will  
unite in this service. The Y. M. C. A.  
committee is earnestly asking the co-op-  
eration of all church members and the  
attendance of the men of the city, for  
whom the seats in the body of the  
church will be reserved.

As a result of the Sunday meeting  
it is hoped that there will be formed  
in Norwich an organization which  
shall, through a series of rallies and  
conferences, prepare the way for an  
eight day campaign next January.

The Men and Religion Forward  
Movement will be held simultaneously  
all over the United States and  
Canada on Sunday. It originated with  
a number of men prominent among  
them is Fred B. Smith, religious work  
department chairman of the interna-  
tional committee of the Y. M. C. A.  
and it developed its scope under a  
committee of 37 men, comprising some  
of the most prominent religious and  
religious workers in the country.

The general chairman is James G.  
Carson, pastor of the Central Ban-  
quet church, New York. Its object is  
to interest men in church life and  
church work, to make Christians more  
Christian and to make more Christians.  
There are five departments of work:  
Bible study, boys' work, social  
service, and missions.

Today in Minneapolis ten or more  
thousand men, who are the best men  
a specialist in his line, are to meet,  
and for ten days retire to some secl-  
uded resort, to discuss the movement  
and conference. At the close of their  
conference they separate to various  
sections of the country to begin their  
work on Sunday, April 28, is to  
be Conservation Day, or Decision  
Day, and by that time it is hoped by  
the movement that 100,000 men and  
boys will have been added to the  
church memberships.

**JURY ACQUITTED MAYNARD  
ON CHARGE OF ARSON.**  
Not Long in Reaching a Decision and  
the Accused Soon Left the City.

On Thursday morning in the crim-  
inal superior court, at the recommen-  
dation of the jury, the case of the state vs. Courtland  
Maynard, charged with arson, Judge  
Reed charged the jury to return a  
verdict on the matter for 10 minutes  
and through Foreman W. O. Rogers a ver-  
dict of not guilty was brought in.

That completed the business of the  
day and court was adjourned until  
next Tuesday for the Bonnet case. May-  
nard was given his liberty after hav-  
ing been in jail since June 28. He  
left at once for New London and went  
to the office of Mr. C. O. Murphy.

There will be a short calendar ses-  
sion of the civil court at New London  
this morning at 10.30, Judge Reed pre-  
siding.

## BIG MUSHROOMS.

Two That Grew in Robert Mahoney's  
Garden.

Robert Mahoney of High street  
brought to The Bulletin office Thurs-  
day two gigantic mushrooms which  
grew in his garden. The largest weigh-  
ed three and a quarter pounds and  
measured 2 feet 8 inches one way and  
2 feet 2 inches the other. It would  
not go into a pack measure. The  
other weighed three-fourths of a  
pound and measured 15 by 15 inches  
in circumference. They looked like  
giant mushrooms, but were cream-  
colored and gave forth a strong, woody  
odor. These fungi belong to the genus  
Lycoperdon, of which family Gigan-  
teus, the giant mushroom, is a mem-  
ber. The largest of the genus is spoken  
of as measuring from 4 to 12 inches  
in diameter, so this big exam-  
ple is not quite so large as the largest  
specimen. The pedicel of the largest is  
about one-third of an inch in diam-  
eter, but has been enlarged to five  
inches long. When these puffballs be-  
come dry they are filled with a fine,  
fine-colored powder, and they are  
popularly known as "the devil's snuff  
box."

## WEDDING.

Arnold-Goodrich.  
The marriage of Miss Ruth Good-  
rich, daughter of Mrs. Russell Treat  
Goodrich of Plainville, Conn., and  
Anthony Brown Arnold of Boston, son  
of Rev. Henry T. Arnold of Norwich,  
took place September 20, 1911, in the  
Church of Our Saviour at Plainville.  
The union was performed by Rev.  
Robert H. Burton, rector of the church.  
The bride was given away by her  
brother of the groom. The matron of  
honor was Mrs. Henry E. Ackerson  
of Norwich, the ushers were Mr.  
George A. Rodenback and Robert C.  
Gardner of Boston, and Dwight G.  
Clark and N. Elmore Clark of Plain-  
ville. One of the loveliest of au-  
tumn days, it was a beautiful wed-  
ding. A wedding reception was held  
at the home of the bride's mother in  
a delightful manner, while strains of  
music fell upon the ears of a merry  
company.

Mr. and Mrs. Arnold, who are now  
enjoying a honeymoon trip, will reside  
in Boston on their return.

**Connecticut Patents.**

necticut inventors for the week ending

## OBITUARY.

John J. Murphy.  
New York, Sept. 21.—John J. Mur-  
phy, formerly a well known contrac-  
tor and a brother of Charles F. Mur-  
phy, leader of Tammany Hall, died to-  
night in a sanitarium at Liberty, Sul-  
livan county, N. Y., after a long ill-  
ness. Word of his death reached here  
in telegrams to family friends.

captioned by the hoarseness of Jack In-  
glis, who was here but could not per-  
form. Kelds and Hanson did a black-  
face comedy musical act, which they  
lengthened out to 35 minutes at the  
evening performance and were the big  
hit of the show, keeping the house  
in a tornado of laughter and applause,  
the concertina music especially cap-  
turing the crowd.

With their New York success in the  
playhouse, the stars and Ada  
Latham made a favorable impression  
in their rendering of "Spud," in which  
Ada's soprano solo is an especially  
pleasing feature, and there is a cur-  
tain call for the two clever artists.

The management has wired out to  
get another act to take the place of  
Ingels in case he cannot appear for  
the rest of the week. The moving  
pictures contained reels of thrilling  
subjects and the bill was a good one  
with which to close the week.

**"He Who Hesitates  
Is Saved!"**  
The man who delays starting up his  
house heating apparatus until the bit-  
ting cold weather sets in, will find  
he will save many dollars and much dis-  
agreeable work. Frequently these first  
frosty mornings, and chilly nights the  
greatest part of the day will prove to  
be mild and delightful. One or two  
modern oilless gas radiators will give  
you all the heat you need for that  
morning dip in the right temperature,  
and to insure a cheerful, warm dining  
room, light it an hour or so in the eve-  
ning if you feel the need, where you  
read or play that game of bridge. Our  
radiators are low, compact, and we may  
be able to suggest the right stove for  
the right purpose. Remember the gas  
range saves time, saves work, saves  
dollars every day in the year, the  
cleanest and best way to cook. The  
Rund Water Heater always ready for  
your inspection.
